

Before and after the pandemic

Made by 3AV1 group

Before the pandemic, I had time to eat at the best restaurants with my girlfriend

Currently with the pandemic I cannot go out with my girlfriend, and we communicate through networks.

Before the global pandemic, she had very little time to go out with friends, but she could.

Now I have a lot of time to go out with my friends, without instead we can't go out.

Before the pandemic, I didn't have time to play sports.

Now with the pandemic I have more time to practice a sport

Before the pandemic I had a lot of friends at school

After the pandemic, I already have fewer friends.

Before the Pandemic I was thinner

Now with the Pandemic I have gained a lot of weight.

Before the pandemic I used to go to the park more often.

Now I usually go to the park less.

Before the pandemic I went out to play soccer and live with my friends

After the pandemic I can't go out to play soccer anymore.

Before the pandemic we had more social life

And now we have to go out less and therefore less social life

Before the pandemic, I used to go out with my friends a lot more to eat at different places.

Now we only talk by video call and we talk less and less

Before the pandemic I went to my drawing classes every Saturday

Now I attend my drawing classes on Fridays, online

Before the pandemic I didn't have time to play video games
But now I have a little more time to play even if I have homework

Before the pandemic, I couldn't pay attention to my dogs or play
Now I even have more time to play with them and take them out for a walk.

Before the pandemic, my computer usage was pretty limited
I use my computer very often now

Before the pandemic I didn't watch TV series and movies due to lack of time

Now that I have more time I can watch many movies and series

Before the pandemic I hardly used my social media networks
Now I spend most of the day on my social networks

Before the covid I was a sociable person, I was someone happy.

Now it's hard for me to keep smiling all day

Before I had very little time to train my dragon
Now I have more time to ride my huge dragon

Before the pandemic I could go to my guitar lessons

Now I practice at home, (what I learned before the pandemic), and I watch video tutorials to learn a little more.

Before the pandemic, I learned more through classroom classes and used to do less homework

Now I learn less through online classes and I am regularly left with more homework to do

Before the global pandemic, I had more freedom to run every morning

Now, I got less liberty to run every morning.

Before the pandemic I could take face-to-face classes

Now I have to take classes online

Before the pandemic, I had more permits to party every weekend

Now I have fewer permits to go out to parties for fear of catching it.

Before the pandemic I had more friends and I went out with them

Now I have fewer friends and I see them by video call

Before the pandemic, I didn't have much time to spend with my family

Now we spend more time together and doing different activities like watching series and playing some games

Before the pandemic I used to hang out a lot with my friends

Now in the pandemic I can't go out with my friends

Before the pandemic I had no time for myself, I couldn't be with myself

Now I can be with myself and I can do things that I like and feel good about this

Before the pandemic I went to parties

Now because of the pandemic, I'm staying home
